

Community

At KRC, we are deeply aware that our buildings are part of larger community systems and we thrive when the communities around us thrive. We are proud to make these communities better places to live and work. Our employee volunteerism and philanthropy programs have two core areas of focus: Strong Communities and Healthy Planet. As individual employees, regional groups and as a company, those concepts inspire our volunteerism and philanthropy initiatives.

EMPLOYEE VOLUNTEERISM

Each of the four Kilroy regions has the goal of organizing at least one employee volunteer event annually, which strengthens communities while giving regional teams the opportunity to connect outside of the office. All regions met this goal, with most regions organizing multiple events, which ranged from beach cleanups to reading programs to building backpacks for victims of domestic violence to packing lunches for people experiencing food scarcity. In addition, many properties host community events such as blood drives, safety events with local law enforcement and Earth Day celebrations.

Care Kits Made

1 Heal the Bay Our employees from the LA region gathered at Dockweiler Beach to clean up our coast. Within 2 hours, we collectively picked up 116 pounds of trash and 2,256 cigarette butts. This beach clean-up provided a fun atmosphere for team building while opening up our eyes to the severity of trash pollution affecting our very own beaches.

2 Bellevue LifeSprings Volunteers from our Greater Seattle office prepared healthy snacks for children in need supported by Bellevue LifeSpring. By addressing a child's basic needs, Bellevue LifeSpring helps students focus on their education and break the cycle of poverty.

3 St Anthony's Many of our San Francisco employees participated in St. Anthony's Free Clothing Program in the Tenderloin. St. Anthony's provides a plethora of services for community members, including an addiction recovery program, mental health services, justice education, social work, technology access/training, clothing and meals. The Kilroy team helped in the free clothing store by sorting acceptable clothing and hanging clothes by type and size.

4 Alexandria House and Amanecer KRC employees from all regions came together to make 200 care kits for victims of domestic violence for our annual service event that precedes our holiday celebration. Alexandria House provides domestic and sexual violence services to women, men, youth and families and Amanecer is a trauma-informed, multicultural agency that provides skilled mental health and case management services for children and adults.
